Il cuore ti batte forte e le gambe ti tremano .

svegli Bruce e gli dici del serpente Bruce ti risponde :

|| Prima il biglietto ora il serpente Forse sono vicino a

scoprire il segreto dell' energia illimitata e qualcuno vuole fermarmi .

è meglio che tu torni a casa qui è pericoloso || .

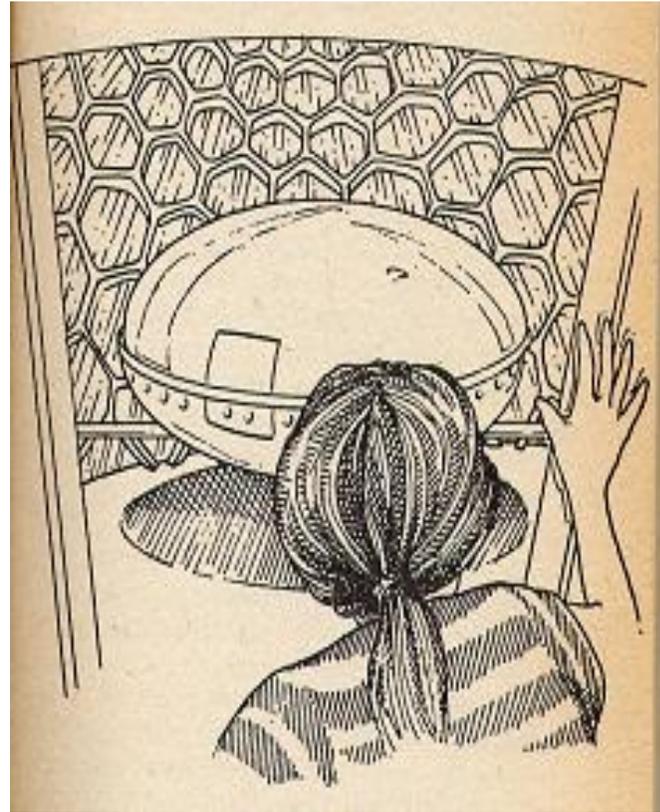

Convinci Bruce a tenerti con lui . andate alla piramide .

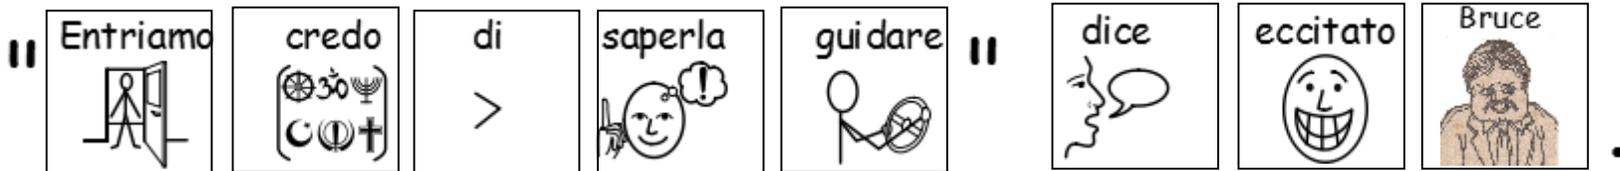

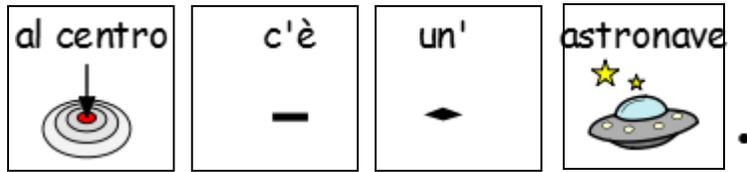

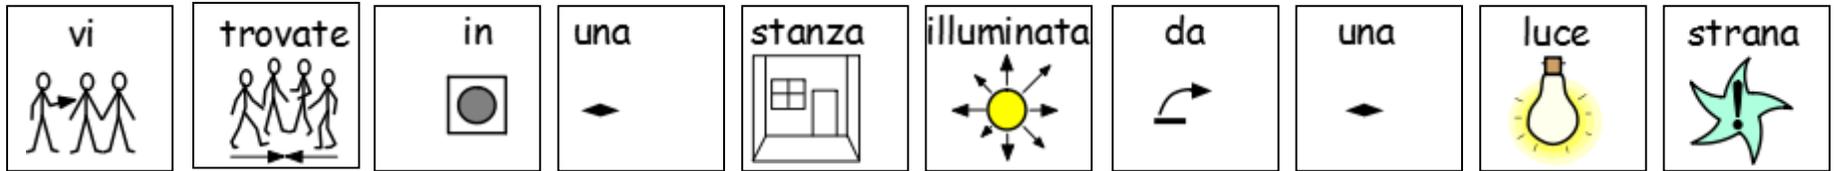

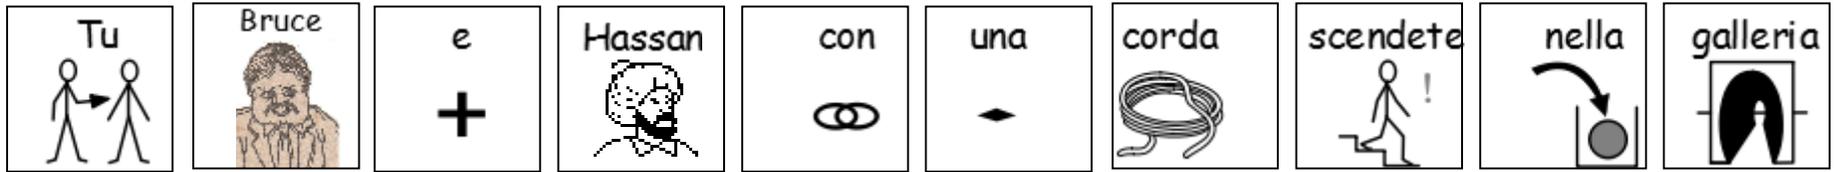

Hassan un 1 amico di Bruce vi accoglie e dice :

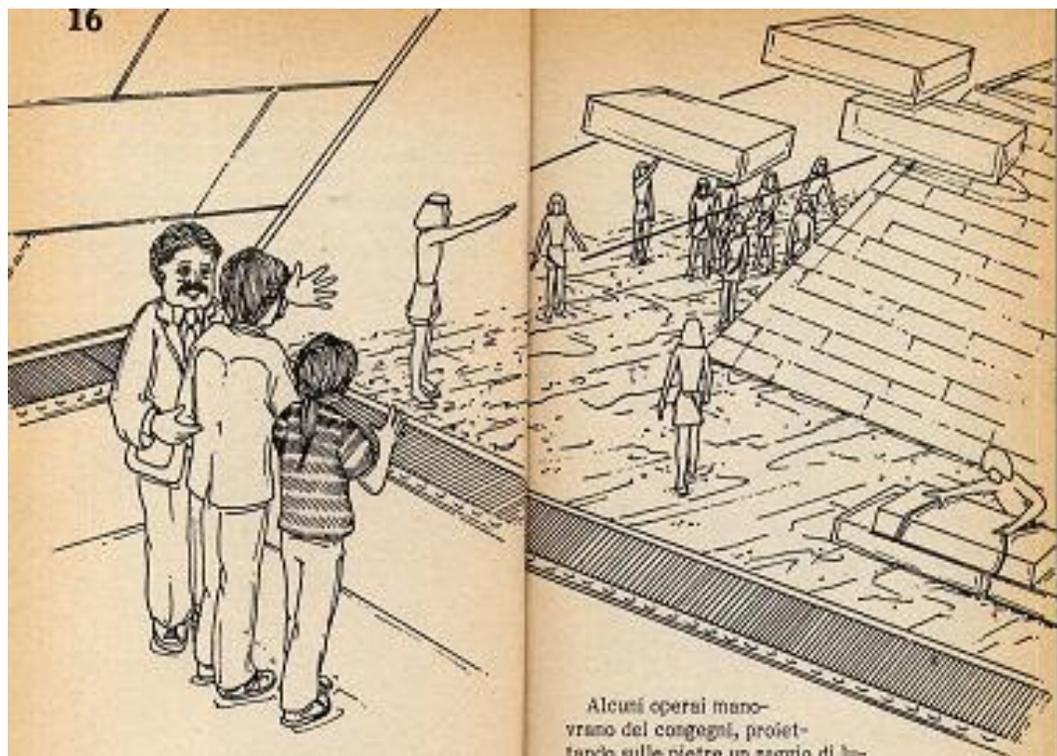

|| Abbiamo scavato una galleria , gli operai sono spaventati .

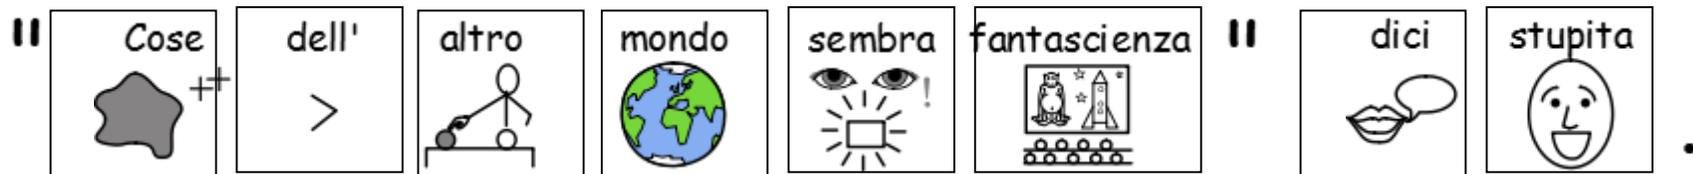

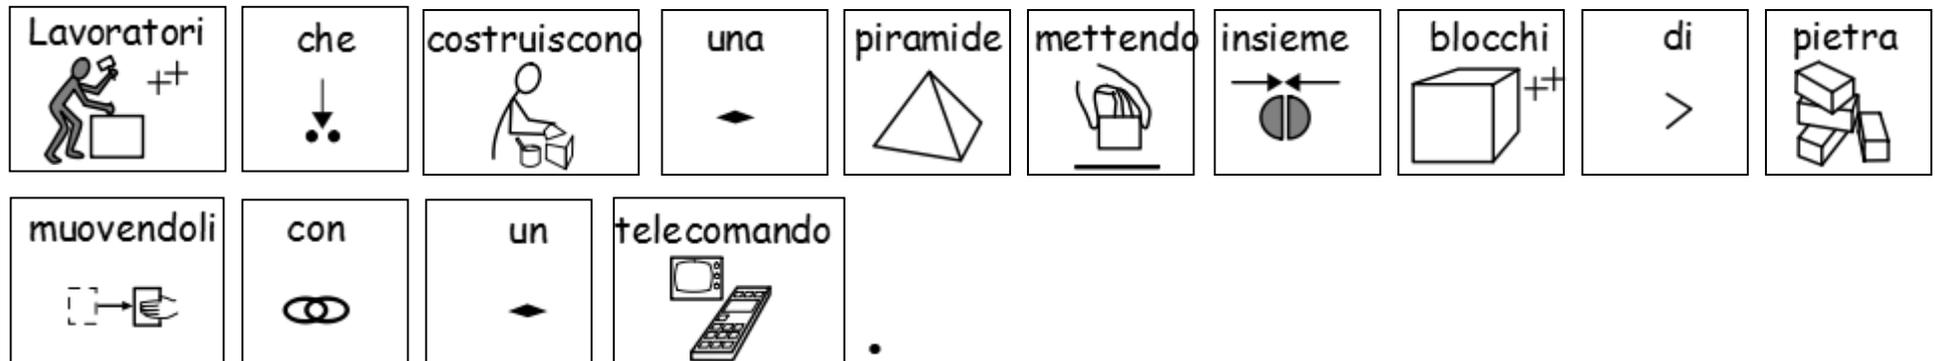

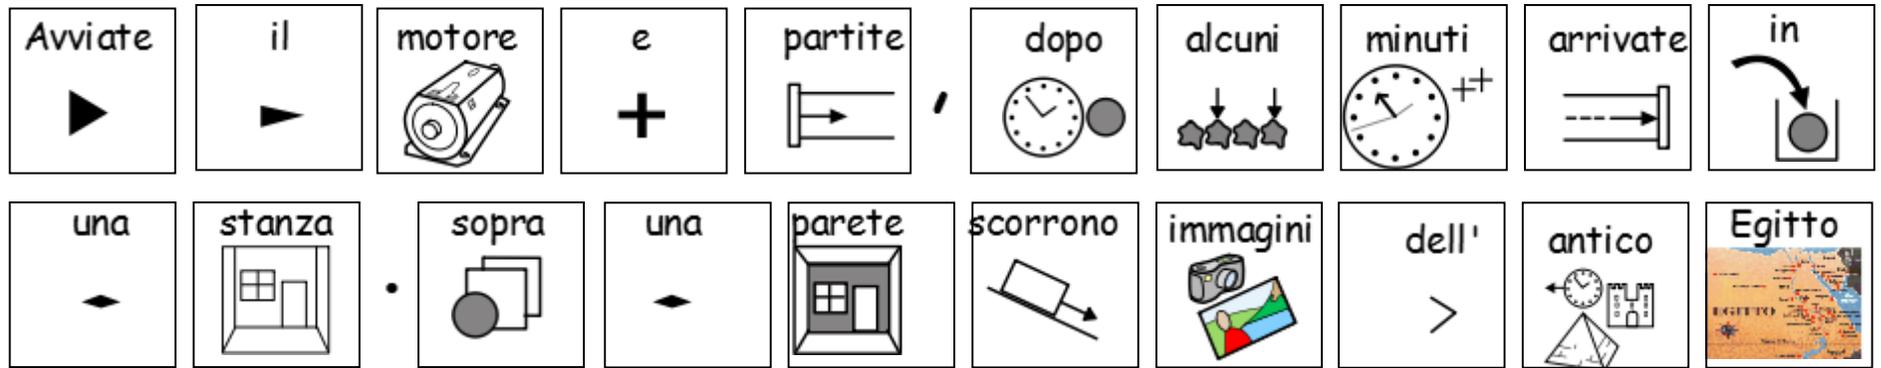

dicono di aver sentito una voce nella piramide che diceva :

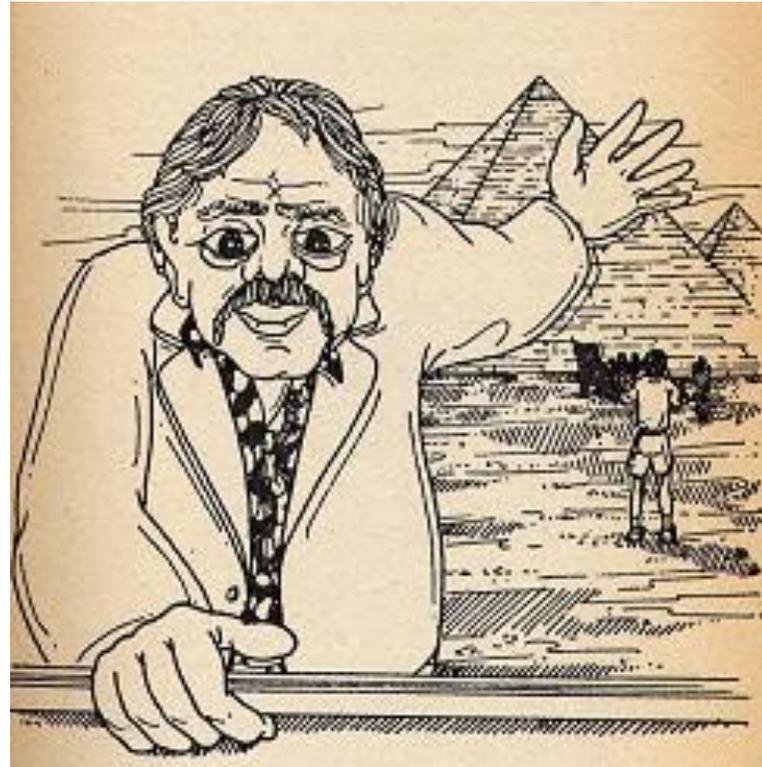

attenti alla sfinge || ricordi della frase sul biglietto .

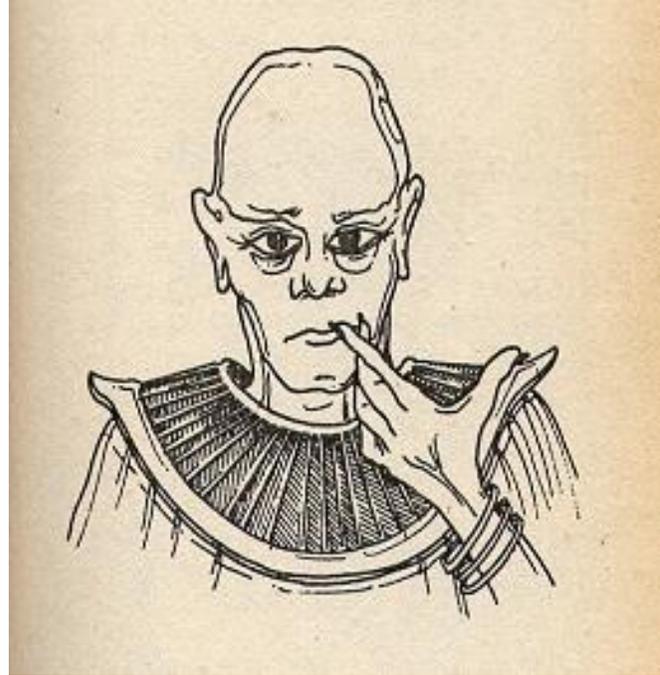

No per me questa è la verità || risponde Bruce .

|| Incredibile Tutti sanno che per costruire le piramidi lavorarono

tante persone per molto tempo || dice pensieroso Hassan .

Bruce ribatte : || Nessuno sa come hanno fatto a costruirle

con tanta precisione || .

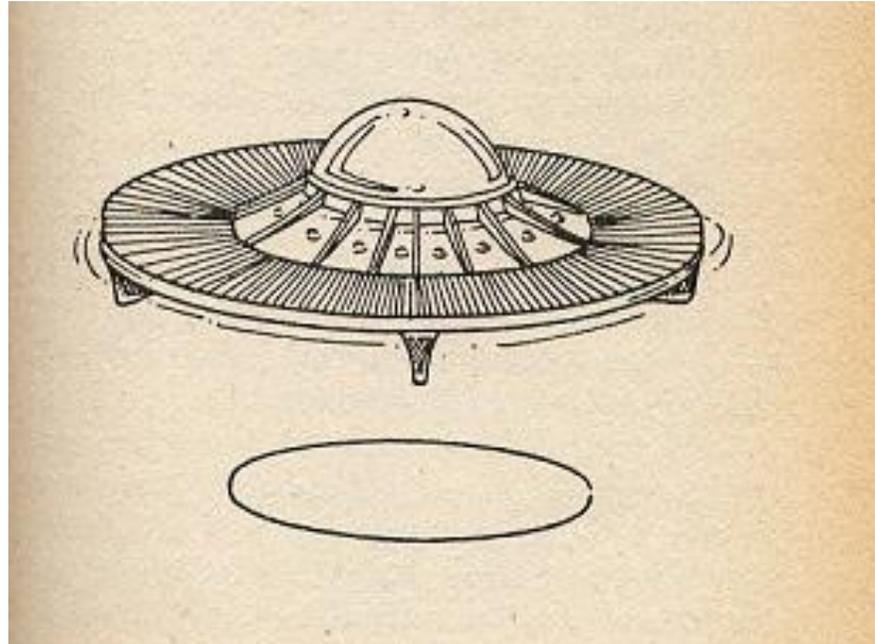

Le foto scompaiono, appare un uomo vestito come un sacerdote

che dice : || Sono Imohtep vi saluto dal passato .

Questa è la registrazione della mia immagine .

non è facile spiegarvelo ma studiando un giorno capirete || .

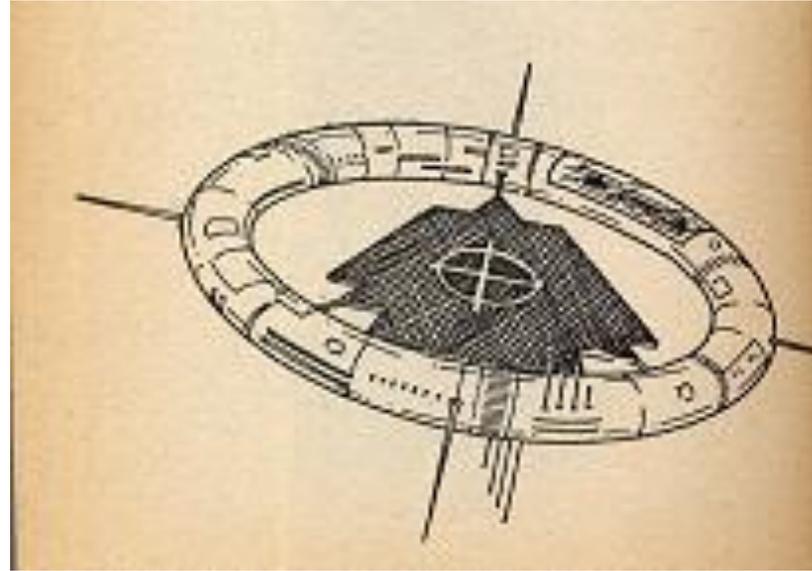

Il mio popolo migliaia di anni fa vi ha insegnato a coltivare la terra costruire case e fare le medicine.

Imhotep continua: Ma non so se abbiamo fatto bene.

Io saprò quando tornerò nuovamente da voi.

il mio pianeta è molto lontano dalla terra.

mentre parla l' immagine si offusca e sparisce .

|| secondo me è meglio che questa scoperta resti tra noi .

La terra non è ancora pronta per una conoscenza

come questa || dice preoccupato Bruce .

|| Sono d' accordo anch' io || dice Hassan Tu annuisci confusa

Il giorno dopo quando torni a casa guardi ancora una volta la sfinge .

Forse è la tua immaginazione ma ti sembra udirla

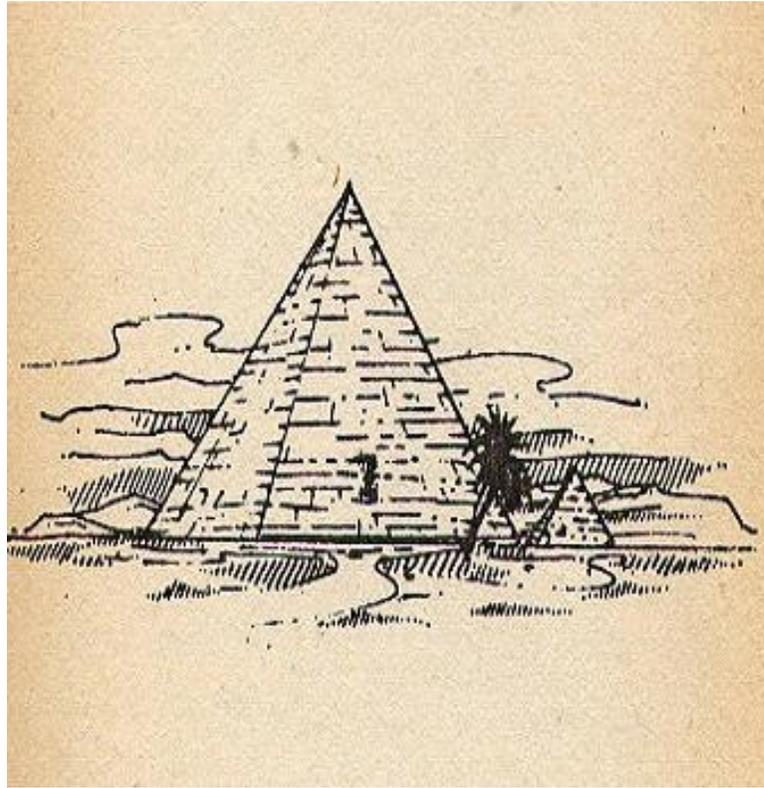

che dice : " Un giorno ci rivedremo e sarai la benvenuta "
